

West Chester Safety Rules

- Temperatures will be taken prior to class. Anyone measuring 100.4 or higher will be sent home as per the CDC guidelines.
- NO parents allowed in building unless your child is 5 years old or younger. If you have a 5-under child, it is a limit to ONE parent or guardian, and no siblings unless the sibling is dancing in the following/previous class.
- For those parents that want to stay close by, you are welcome to attempt parking on High St, Magnolia, Union, etc, and have a sign on your dashboard with your child's name in case you feel they may need you-in which case we will come find you. There is also a decent amount of outdoor seating on our patio, so if it is a nice day, feel free to stay outside during class. We are going to be strict about limiting bodies inside the building, though, so please respect this rule-and all others.
- **MASKS ARE REQUIRED AT ALL TIMES INSIDE THE BUILDING.** This is for dancers, even while dancing, staff, any parent that is allowed in, and a sibling waiting for their class in the waiting room. Snug fitting, over the nose and chin, over the ears/behind the head. No bandanas or scarves. This is an absolute must, and we will be extremely strict with enforcing this. If the mask is being pulled off, or even under the nose, you or your child will be asked to leave. These masks are our #1 line of defense, and this rule is not to be mean, but to keep everyone healthy and safe.
- **Drop off and pick up times are extremely important.** We have a small window between classes for sanitization. We need the children to be picked up promptly when class ends, and to not arrive more than 5-10 minutes early for their lesson. Please be changed and ready for class, instead of relying on changing at the studio.
- Dancers should have only the necessities in their dance bags. This is mainly for our older dancers who tend to have very large, full dance bags with years worth of shoes in them! *Everyone, please label all shoes, water bottles, personal hand sanitizers, warm ups, etc. We will not keep a lost-and-found. Anything left after a class will be disposed of.* Older girls, please don't bring your 5th back up pair of point shoes, 7 skirts, and 2 hairsprays. You know who you are 😊
- Dance bags will remain in the waiting room, while water bottles will likely come in the studio with you (depending on the teacher). You will be given water breaks, so please do not head over to your bottle whenever you please. We will make sure you are hydrated, don't worry!

To control the flow of traffic, we are adjusting the pick up/drop off locations for some classes. Please read the following carefully...

Monday 4:30-5:15 will enter the side door, and they will exit the side door.
